

Small Faith Groups

What draws people
to Small Faith Groups?

What draws people
to non-hierarchical, non-territorial
Small Faith Communities?

Is it not a feeling of
Connectedness
in the sharing Faith and Spirit?

Jesus spoke to this
when he promised to be present
when two or three are gathered
in God's name.

In Small Faith Groups,
are we not *sign and symbol and sacrament*
to one another
of God's presence in us,
among us,
uniting us,
in Love and Peace?

The Holy Spirit
makes God's Presence evident in us
in the fruits of
Love, Joy, Peace,
Patience, Kindness, Generosity,
Faithfulness, Compassion, and Gentleness
which we witness in each other
in our Small Faith Group celebrations.

Where two or three are gathered;
that is where we as individuals
in profound Love and Faith
become
True Church,
not necessarily in some prescribed building
or format.
